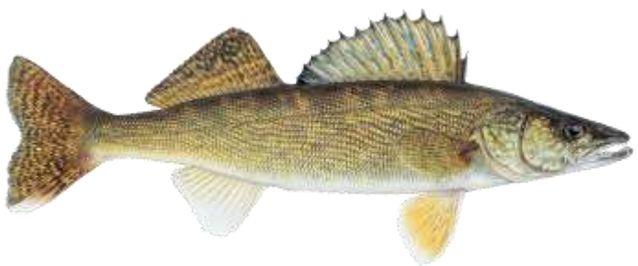
Pike Lake Fishing Diary

Instructions

1. Please record catch same day. Do not rely on Memory.
2. If fish is to be released only estimate length.
3. If fish is kept, measure before cleaning - Measure total length of fish to the nearest cm or ½ inch.
4. Record Total Length (cm/inches).
5. Record each day you fish whether you catch or not.



On behalf of the
Pike Lake Community Association
and the
Ontario Ministry of Natural Resources and Forestry,
thank you for helping with the Pike Lake Fisheries Assessment Program.

Your contribution will enable us to both enhance fishing opportunities and provide for healthy, sustainable fish populations.

Angler's Name:_____ Year:_____
Address: _____
E-mail: _____

NOTE: *E-mail address is optional. A report on the program results will be forwarded to anglers who provide this information.*

Date	Time		Fish Species	Length	Kept or Released
	Start to Fish	End Fishing		Inches/cm
